

Multi-Purpose Primer

Safety data sheet

Last printed on 22.03.2007

1. Identification of substance/preparation and manufacturer

Product name: Multi-Purpose Primer

Product No.: N/A

Application: Primer

Packaging: 2.5 and 10 litre containers

Manufacturer: SKALFLEX A/S

Industrivej 20b

DK-8800 Viborg

Tel. +45 8661 2299 Fax +45 8661 2199

2. Composition/information on ingredients

Ingredients	weight%	Classification
-------------	---------	----------------

Does not contain any contents subject to disclosure.

3. Hazards identification

Repeated or prolonged contact with skin may cause irritation.

4. First-aid measures

Inhalation:

Seek fresh air.

Skin contact:

Wash off skin in plenty of water and soap. Get medical assistance if irritation persists.

Eye contact:

Open eyelids widely and rinse eye with plenty of water for at least 15 minutes. Get medical assistance if irritation does not clear.

Ingestion:

Do not induce vomiting. Let victim drink water or milk. Get medical assistance, if necessary.

5. Fire fighting measures

The product is not flammable.

To the extent possible, remove product from areas exposed to fire hazard.

Toxic gasses may form upon exposure to fire.

6. Accidental release measures

In case of spills in outdoor environment, contact fire authorities.

Cover/absorb large spills with sand or other absorbent material.

Treat as waste. Also see items 8 and 13.

Do not allow run-off to sewer.

7. Handling and storage

Avoid contact with eyes and skin. If skin contact is unavoidable, use protective gloves.

See item 8.

Store product in tightly sealed original container in a frost-free place out of the reach of children.

Fire rating: -

8. Exposure controls/personal protection

Code No.: 00-1 (1993)

The following contents are subject to disclosure regulations and have exposure limits in accordance with executive order C.0.1, 2005:

None

If necessary, the following personal protective equipment is recommended:

Respiratory protection: -
Gloves: Rubber/PVC
Eye protection: Goggles/guard, if necessary
Hygiene: Immediately change soaked clothes

9. Physical and chemical properties

Appearance:	Liquid	Solubility in water	Completely
Odour	Odourless	Distribution coefficient	*
pH	*	Flash point	*
Boiling temperature	100°	Auto ignition temperature	*

Melting temperature	*	Explosive limit	*
Steam pressure	*	Viscosity	*
Bulk density	Approx. 1	Other	*

***: no data or not relevant**

10. Stability and reactivity

Stable under normal conditions of use.

11. Toxicological information (properties posing a risk to human health)

Inhalation:

Not applicable with normal use (does not contain volatile components).

Skin contact:

May cause irritation upon contact with skin.

Eye contact:

May cause irritation upon contact with eyes.

Ingestion:

Ingestion may cause nausea, discomfort and possibly vomiting.

12. Environmental information (on contents)

Hazard to the water environment:

Insufficient data to apply environmental hazard classification in accordance with regulations from the Danish Ministry of the Environment.

Hazard to other ecosystems:

Insufficient data

13. Disposal considerations

The product is not considered hazardous waste. Dispose of spills and residues according to municipal guidelines, e.g. at a municipal chemical waste receiving facility.

European Waste Catalogue Code (EWC Code): 08 01 99 00

Chemical waste group: H

14. Transport information

The product is not considered dangerous goods for transportation.

15. Regulatory information

Hazard label on container:

No classification required in accordance with regulations from the Danish Ministry of the Environment.

Code No.: 00-1 (1993)

Ready mixture: 00-1 (1993)

Application limitations: None

Requirements for special training: None

In addition, the product is subject to the following special executive orders:

Order on work with code-numbered products, no. 302 of 13 May 1993.

16. Other information

The user must receive thorough instructions in performance of work and know the contents of this user manual.

General update of entire safety data sheet.
