

**SKALFLEX A/S
SAFETY DATA SHEET**

Prepared in accordance with the Danish Ministry of Employment Order No. 559 of 4 July 2002 with later amendments.

1. Identification of substance/preparation

Product name: BASE PAINT

Product registration number: Not subject to notification.

Application: Paint for bases

Product registration number: 1236040

Date: 16 March 2004

SKALFLEX A/S, Industrivej 20b, DK-8800 Viborg, Tel. +45 8661 2299 Fax +45 8661 2199

2. Composition/information on ingredients

Ingredients	EINECS/ELINCS	CAS No.	Weight%	Classification
-------------	---------------	---------	---------	----------------

Does not contain any contents subject to disclosure.

3. Hazards identification

The product has not been classified as hazardous.
Repeated or prolonged contact with skin may cause irritation.

4. First-aid measures

Inhalation:
Seek fresh air.

Skin contact:
Wash off skin in plenty of water and soap. If irritation persists, get medical assistance.

Store product in closed original container in a dry and frost-free place.

Fire rating: -

8. Exposure controls/personal protection

The following contents are subject to disclosure regulations and have exposure limits in accordance with executive order C.0.1, 2002:

None

If necessary, the following personal protective equipment is recommended:

Respiratory protection: -
Gloves: PVC/Neoprene
Eye protection: -

9. Physical and chemical properties

Appearance:	Liquid	Solubility in water	-
Odour	-	Distribution coefficient: n-octanol/water	-
pH (dissolved in water)	-	Flash point	-
Boiling temperature	-	Auto ignition temperature	-
Melting temperature	-	Explosive limit	-
Steam pressure	-	Viscosity	-
Bulk density	-	Other	-

-: no data or not applicable

10. Stability and reactivity

Stable.

11. Toxicological information (properties posing a risk to human health)

Inhalation:

Inhalation of any fumes may irritate airways.

Skin contact:

Repeated or prolonged contact with skin may cause irritation.

Eye contact:

Product may irritate eyes.

Ingestion:

Ingestion may cause nausea, discomfort and possibly vomiting.

12. Environmental information

Hazard to the water environment: Insufficient data to apply
environmental hazard classification in
accordance with regulations from the
Danish Ministry of the Environment.

Hazard to other ecosystems: Insufficient data

13. Disposal considerations

European Waste Catalogue Code (EWC Code): 08 01 99. The product is not considered hazardous waste. Dispose of spills and residues according to municipal guidelines, e.g. at a municipal chemical waste receiving facility.

For disposal to *Kommunekemi*, indicate chemical waste group: H.
If transported as waste: See item 14.

14. Transport information

The product is not considered dangerous goods for transportation.

15. Regulatory information

Hazard label on container:

Eurofins Miljø A/S has determined on 11 March 2004 that the product should not be classified in accordance with the Danish Ministry of the Environment Order on classification, labelling, etc.

MAL code (1993): 00 - 1

Application limitation: None

Requirements for special training: None

In addition, the product is subject to the following special executive orders:

Order on work with code-numbered products, no. 302 of 13 May 1993.

16. Other information

None.
